HALLOWEEN CELEBRATIONS CAVERSFIELD

Between 4pm and 9pm on Thursday 31st October 2019 Halloween celebrations will take place in the Caversfield area, predominantly Thompson Drive and Skimmingdish Lane. Residents should be aware of the increase in vehicular traffic and pedestrian activity during these times. It is also requested that residents park their vehicles on their drives or other appropriate locations; this is to facilitate access of any Emergency vehicles if needed. There will be parking restrictions at certain points within the immediate area which will be enforceable. Residents may want to make any travel arrangements outside of the times stated.

Please contact the Police Enquiry Centre on

101

If you see a crime being committed dial 999

Please make a note of any persons or vehicle involved
(i.e. person's description, vehicle number, colour & make)

Neighbourhood Watch is a successful crime prevention initiative. Getting together with your neighbours to take action can help cut local crime.

If you want information on setting up or joining an established local scheme:

USEFUL ADVICE:

A lot of burglaries can be prevented. Most are committed by opportunist criminals and often the thief does not have to force his way in because a door or window has been left insecure.

Look at your home from the point of view of a burglar. Do you have an alarm fitted? Is there easy unlocked access to the rear? Are there window locks fitted? Is there external lighting available during darkness?

Most burglaries happen when a house or flat is empty. Don't advertise your absence when you're out, particularly for long periods during holidays. Make your home appear occupied.

Look after your car keys. Your home could be targeted for having a specific vehicle parked on your driveway. Don't leave your keys on view, particularly in hallways or near letterboxes and cat flaps.

Be aware of suspicious callers in your area. If you feel vulnerable use a spyhole in the door and make use of a door chain or bar.
