It falls on the Councillors to exercise a reasonable degree of control over financial matters. Particularly as, during the completion of the Annual Return, Councillors have agreed the following:

We acknowledge as the members of: [Caversfield Parish Council] our responsibility for ensuring that there is a sound system of internal control, including the preparation of the accounting statements. We confirm, to the best of our knowledge and belief, with respect to the accounting statements for the year ended 31 March [year], that:

### **Clerk / RFO's Responsibility**

It is the Clerk / RFO's responsibility to ensure that proper internal controls are set up and adhered to in accordance with the Financial Regulations. These controls must ensure that:

- income and expenditure are in accordance with budgets;
- all income that is due is actually received;
- expenses have been properly authorised before being paid;
- the books of account are maintained on a regular basis and are regularly reconciled.

It is the for the Clerk to present a monthly statement to the meeting showing the Council's bank balances, etc and a quarterly statement showing the Council's detailed budget compared with the income and expenditure to date.

The Clerk / RFO must sign Section 2 of the AGAR prior to the meeting to certify that the Accounting Statements are correct.

### **Councillor Responsible for Internal Financial Control's Responsibility**

The Council will appoint a Councillor Responsible for Internal Financial Control annually at the May meeting.

It is the Councillors' responsibility to:

- carefully scrutinise all invoices and other supporting documents against the list for payment submitted at the PC meeting prior to the signing of the cheques;
- check to ensure that the cash book (and any other accounting records) are being correctly written up and are mathematically correct;
- check that the bank reconciliation is done regularly;
- check to ensure that all income due is actually received;
- check that the payroll records are up-to-date;
- check that the financial statements produced to Council agree with the accounting records.

Not every item has to be checked, but sufficient tests should be made to enable the person carrying out the tests to be satisfied that the accounting records are correctly maintained. A

log should be kept of all the checks made including 'what, when and by whom' and reported to the Parish Council.

It is recommended that one or more Councillors should undertake these routine checks to ensure that the account books are being kept properly, but that one Councillor should undertake the task for at least a period of six months to ensure continuity and should not authorise any payments during the length of their appointment.

The internal controls and internal audit should be reviewed annually at a full Council meeting and minuted.
