

A photograph of a family walking through a forest with falling autumn leaves. In the foreground, a young boy in a green beanie and yellow jacket smiles. Behind him, a man, a woman, and two other children are walking along a path covered in fallen leaves. The air is filled with many falling orange and red leaves, creating a sense of movement and autumn atmosphere.

Take a walk on the wild side...

COMMUNITY CONSULTATION DAY: Sunday 5th December 2021

THE WILDERNESS QUARTER AT BICESTER MOTION

We would like to introduce you to the next Quarter forming part of Bicester Motion – The Wilderness Quarter.

The Wilderness Quarter aims to provide a deliverable solution to restore the former Stratton Audley Quarry, creating a space for visitors to unwind in nature.

The Wilderness Quarter will be delivered in two core components each connected to Bicester Motion.

The Reserve will provide a place for the local community to explore nature, along a discovery trail with areas to relax on the Northern Lake edge.

The Southern lakes will provide eco-lodge accommodation for over-night visitors to Oxfordshire and Bicester Motion.

We are looking to engage with the community on our vision for The Reserve and how we can create this new space with Community at its heart.

Have your say and find out more

Book your walk and talk
Please email your preferred session to:
hq@bicestermotion.com

We are holding a community consultation day on the 5th December 2021, inviting the community to share input into our vision for The Reserve.

Join us at the site to learn more through walks and talks offering the opportunity for you to share your views and ask any questions you may have.

In order to attend, please email us at **hq@bicestermotion.com** confirming your first and second choice for session timings as set out below, we are restricting the numbers on these tours in order to maintain social distancing to prevent the spread of COVID-19. Your session will be confirmed back to you via email.

The final date to book a place to attend the public consultation day will be the **1st December 2021**.

Please note that we will be unable to host those who have not booked a place within this period, the information shared on the day will be shared for all on **www.bicestermotion.com**

If you have specific accessibility considerations, could you please inform us in your response for your session to enable us to try and facilitate where possible.

In order to partake in the walks / talks you will be required to bring appropriate outdoor footwear. The walk be across uneven ground and obstructions as to be expected of a former quarry site; please take care.

If you have specific accessibility considerations please inform us in your response for your session to enable us to try and facilitate where possible.

Please note: we are unable to change your session timings on the day:
